EARLY BIRDS 2024-2025

Weekday School students choosing to participate in the Early Bird program will arrive at school between 7:45 am and 8:45 am on the days in which they attend morning classes. Participating children must be at least two years of age by September 30th of the current school year and enrolled in a 2-year-old, 3-year-old, Pre-K, or TK class.

I wish for my child, _____, to attend Early Birds on the following days on a weekly basis:

Early Bird charges, based on days attended, will be billed on your monthly tuition invoice following days accrued. Your monthly invoice will be paid as one amount. *(If your tuition is billed semesterly, you will receive monthly invoices for extended day program charges.)*

As stated in the Parent Handbook, all charges are due monthly and must be paid in full by the 10th of each month in order to avoid a \$25.00 late fee. In the event payment is not received within two months of its due date, the Weekday School may dismiss your child from the school until all unpaid tuition/charges are rectified.

If you would like your child to drop-in to Early Birds on days not designated above, please contact the Weekday School office **no later than 12:00 pm on the prior day**. Drop-in space for Early Birds is based on availability and staffing and will be communicated by the Director or Assistant Director after the request is made.
